

Military Toronto – World War II – RCAF Manning Depot on CNE Grounds

Military Post Office 204 was also located on the grounds of the CNE. MPO 204 was for the R.C.A.F. Manning Depot. This is the location where new recruits were introduced to the ways of the military. Shown below on a 14 March 1942 cover are both a CDS and registered box.

The post card, used 30 June 1941, pictures the RCAF Manning Depot, and is from a recruit newly arrived from Edmonton to the folks back home.
